SUMMARY

Software developer and computer Science graduate with strong knowledge in JavaScript, Python, and Java. Hands on practical experience in frontend, backend, full-stack web development through academic and personal projects. Eager to learn, solve real-world problems, and continuously improve through real-world experience.

SKILLS

- Programming Language: **JavaScript, Python, Java, Functional and Object-oriented programming**
- Frontend: **HTML, CSS, Bootstrap, Tailwind CSS,**
- Technologies: **MongoDB, Express JS, React JS, Node JS**
- Database: **SQL, MySQL**
- Version Control and Collaboration : **Git, GitHub**

PROJECTS

College Placement Portal

Links: [GitHub](#) , [Vercel](#)

Technologies: HTML, CSS, ReactJS, Tailwind CSS, Express, Node JS, MongoDB.

- **Project:** A placement management website for built for my college's placement cell to address issues faced by coordinators and students during the recruitment process.
- **Learnings:** Improved full-stack development skills by working on real-world features like user roles, data flow, and backend integration.
- **Problem Solved:** Integrates job postings, applications, tracking and automated email sending, all under one website, previously it was separated into multiple platforms.
- **Impact:** Streamline placement process for coordinators , students can track & apply easily.

Notes Taking Website

Technologies: HTML, CSS, Tailwind CSS, PHP, MYSQL.

- **Built a notes management system with authentication, creation, editing, and deletion features.**
- Mapped out user journeys for core CRUD operations and documented functional requirements.
- **Outcome:** Delivered a functional tool that enhanced productivity and improved understanding of full-stack workflows.

CERTIFICATIONS

JAVA programming Certificate (Link)

Fundamentals of Java Programming by Scaler.

Python (Basic) Certificate (Link)

Certification exam on Python (Basic) by HackerRank.

Introduction to SQL Certificate (Link)

Certification exam on SQL, MySQL by Scaler.

EDUCATION

Bachelor's in computer science

April 2025

Kadi Sarva Vishwavidhyalay, Gandhinagar

Higher Secondary(12th) - Science A group

July 2022

Kendriya Vidyalaya Sangathan
